This is our record of 1980-81, a permanent tribute to those who made the year what it was. We hope this journal will bring back some good memories of your high school years. Look on as we replay the hits of 1980-81 in words and pictures.

"I'll Get By With A Little Help From My Friends"

Although the Mall has gradually become less used through the past few years, students still enjoy it's relaxed atmosphere to talk with friends, study, or just let out steam. The students of East acknowledge the Mall's uniqueness and appreciate it as relief from the sometimes monotonous school routine.

"Love Look What You've Done To Me"

1980 HOMECOMING COURT Above: (L to R), Carol Phelan escorted by Dan Richards, Jill Hammen escorted by Rocky Keyes, Margaret Stenz escorted by D.J. Klauser. Below: Jill Amacher escorted by Richard Storck, Maggie Dean escorted by Kirk Thompson, Melissa Sorenson escorted by Jeff Raffel, and Dawn Kien escorted by Kevin Gross. Opposite: (above) Caty Coleman escorted by Steve Roscoe and Sandy Tollund escorted by Mark Kotlowski.

Homecoming at East has always been the most festive event of the year, and this year was no exception. The weekend was highlighted by the crowning of the Homecoming Queen, Sandy Tolland. Other events included the parade and football game on Friday and the formal dance Saturday.

Although the football team suffered a close 14-13 defeat at the hands of Jansville Craig, the Homecoming spirit wasn't dampened a bit. This year's theme song was "Love Look What You've Done To Me", by Boyz n the City. The rainbow was used as a color scheme to decorate the aud and dance. The class of 81 was judged to have the best float for the fourth year in a row.

We hope the following few pages will recapture some of the fun and excitement of Homecoming 1980.

The East High Marching Band felt a new revival under the direction of Mark Sieger and drum major Mark Musolf. They performed in the parade and during halftime at the football game. The resurgence of area bands is being led by Mike Leckrone and his superstar U.W. Marching Band.

Goin' To
A Party,
Meet Me
On After
School

Life at school can be quite tedious and home provides no relief with studying and family. The students at East need a place to relax and socialize, a kind of third place. The Pit, Warner Middle, and house parties help solve the problem.

IN MEMORY OF KURT VIRGIN

JANUARY 1983 - SEPTEMBER 1991

Some Near Last Reflections of
Kurt Virgin

"Never let the smallest factor
interfere with true love
Love is unexplainable, yet
understandable
If you don't want someone to see
something - put it right in front
of their face
Life is like a pinball, you get
bounced around alot "

I'd like the memory of me to be
a happy one
I'd like to leave an afterglow
when I'm gone
I'd like to be an echo whisper
softly down the way
Of happy times and laughter
and light and joy
I'd like the love of those who
to die before the sun
Of happy memories that I leave
when I'm gone

IN MEMORY OF DON ROETH

JULY 21, 1963 - August 8, 1980

"More Than

[illegible]

I Can Say"

[illegible]

"I Will Survive"

Out go the old and in
come the new, so the
seniors must move on.
All that will be left are
memories as the class of '81
exits the hallowed halls of
East High.

"Still the Same"

the upperclassman
we move through these halls day in and day out
for four years of our lives
some days it's a hassle and some days we wonder if
we will ever leave

then as our senior year draws to a close, we begin
to remember all the great times we've had
all our friends seem to get closer as we cling to
each fleeting moment
all of a sudden it's over. you shake the man's hand
as he gives you a diploma

you're now a graduate, no longer the upperclassman
with authority but once again a freshman, looking
out
into the world, a place of wonder though sometimes
a bit fearful, you once again
push towards the top. ahead of you may be
hardships and troubles but great times too. and
inside you
know you'll make it, the upperclassman, once again
the senior with authority

"Born To

Halloween madness infiltrated East's hallways on October 31. Clowns, "Jocks", Doctors, Frogmen, Little Miss Muffets, Hitmen, Gorillas, Rabbits, Werewolves, Aliens, Commandos, and just plain strange beings could be found lurking everywhere.

The school's IMC, noted for its innovativeness, has experienced a surge in student participation. The library and RMC'S are acknowledged as valuable assets towards a high school education.

"Get It Hot"

Lunches served in the cafeteria have come a long way in the past few years. Seven entrees and a salad bar allow one a path of escape when cornered by a carp melt and turkey jello. And at 70 cents, it's a good deal

"ALL NIGHT LONG"

The 1980 Dance Marathon was a massive success. Forty couples raised over \$2,000, both records, for the American Cancer Society. Social Dance class students survived in the 14 hour marathon with help from food and drink donated by local businesses. Rusty Hudson from WISM gave his time again to DJ and kept things rolling until dawn. In between ten minute breaks every two hours, everybody slow danced, discoed, polkaed, bunny hopped, waltzed, limboed, waltzed, and rock-n-rolled. Much sleep was recovered by everybody the Saturday following and by Sunday all were sure they had survived.

That's
Incredible!

"Anything goes" was the motto as the East High Faculty took on the ruff and tumble football team at basketball. The teachers held a commanding lead in the second quarter, but left dazed as the students pulled out a 63-60 victory, the first student win ever.

The evening was highlighted by a six point TOUCH DOWN pass and voluptuous sideline entertainment.

Almost everyone predicted that 1980 would be a rebuilding year; the players didn't agree. The team surprised both the opposition and the press by compiling a 4-3 record in the Big "8" and a tie for the city championship with Memorial and West.

The highlight of the season was the comeback, 24-21, victory over crosstown rival Madison West when the Purgolders were down 21-6 at halftime, but stormed back in the second half, leaving the Regents dazed and defeated with a field goal in overtime.

In summing up the year, Coach Kelliher said "We displayed great pride, great emotion, and good team sportsmanship. I couldn't be any prouder than I am of these young men."

East's sophomore traveling team suffered a disappointing season this year. The sophomores finished up at 3 - 4. According to Coach Richter however, the team was a lot stronger than their record showed. Two bright spots were the victories against Memorial & Beloit.

The sophomore 4 Lakes team had an exciting season though they finished up at 2 - 4. Despite losing a couple of key players to injuries, the team held their own against the best competition.

The Girls' Varsity Basketball team enjoyed an extremely successful year. Led by All City and All Conference forward Jackie O'Malley, the Purgolders compiled a 14-17 record. Win or lose, these hard driving women gave to those in attendance an exciting and breathtaking game.

When tournament time rolled around, the female cagers rolled through the regionals with a whopping massacre of East side rival Madison LaFollette and a one point heartstopper against Stoughton which saw East's Marcia Sorenson sink two clutch free throws to seal the victory.

At sectionals the Purgolder girls played a whale of a game, but ended up just one point short against cross town rival Madison West, 44-43.

VARSITY ROW 1: Julie Severson, April Buol, Joanna O'Brien, Sherri Sibley, Lisa Banks **ROW 2:** Coach Kidd, Sue Moffat, Shannon Dolan, Becky Cecchini, Lisa Rohde, Jill Beithoffer

Sandy Peterson's 102 points led the GOLD team to a 7-4 overall record. Said Coach Thompson, "The team progressed very well from the season's start to finish. They were fine young ladies to work with."

Coach Bentin's Purple team achieved a winning record of 6-5. Lyn Clark and Angie McGowan combined for 141 points. The JV team put together a very impressive 16-2 record. "It was a super season. The team played good fundamental basketball," said Coach Kidd.

The East High cagers dribbled their way through a sweet and sour season.

They upended some ominous teams and then fell to the lowly ones. Beating Lafolette in tournament play, last years 3rd place finishers, was the culmination of a year of hard work.

The following loss to Stoughton, (ranked 4th) kept the fans on the edge as the purgolders came up just short, 48-51. Coach Boyle reminisced: "these guys worked hard, they were a stubborn team and didn't let down I'm proud of their effort"

"Sultans Of Swing"

"The 1980 East High Girls Golf Team had one of the best seasons in its history. Compiling a 13 and 5 record, it was a team that all opponents took seriously in competition. Throughout the year, there were only two teams in the state that the girls did not defeat in at least one of their contests," said Coach Kelly.

This year East's Cross Country team took a big step towards gaining the kind of recognition it deserves. Our Harriers took their regional final over Memorial and went on to take third place in the state tournament.

"Hard work was the key to success for this year's Women's Cross Country team. We ran more miles this year than we ever have since I've been coaching. The team was rated 6th in the state and had a superb win/loss record but strong sectional competition dashed their hopes for a state birth," commented Coach Thornton.

The coach also remarked, "This was the most talented group of young ladies we've had in the previous few years. They performed to their ut-most and I'm proud of everyone of them."

The 81 Men's Gymnastics team struggled through a tough schedule made even more difficult by a high attrition rate of team members. At one point injuries caused the team's hopes to rest on the shoulders of one competitor, Mike Nieman. Hopefully the future will be brighter.

Womens gymnastics took a turn for the better under new coaching of Mary Jean & Kathy Jagowski. Over thirty young women, many of whom were under class persons, went out for the sport and the future looks bright for these young talents.

This year's water ballet show, "Kids Have It Made", was performed on March 27 and 28. The theme was children's music (and) songs such as "Rubber Duckie" and "We Went to the Animal Fair" made the show a fun one.

The girls swim team showed signs of better things to come in the next few years with a solid base of incoming freshmen swimmers. Paced by Kelli McCarthy, the freshmen swimmers added speed and depth to the team. Qualifying an individual and a relay team for the state meet satisfied one of Coach Jenkins' major objectives for the season. Some hard work with local swim clubs prior to the 1981 season, and a rising interest in competitive swimming pace for continued growth of East Girl's Swimming.

Top Performances for 1980 were seniors Sharon Cafferty and Leslie Welsh, juniors Ann Balke, Dana Bruden, Yolanda Calderon, and Annie Oosterwyk, sophomores Teri Alesh and Carol Cafferty, and freshmen Stacy Frish, Amy Matthews, Kelly McCarthy and Sue Price.

Coach Jenkins expresses his warm thanks to each team member for being competitive, and increasing her understanding of herself as both an athlete and a warm human being.

The 1980-81 watermen stroked their way to a fourth place state finish, the 2nd best ever, and a 6-5 dual meet record. The team was led by Dave Bredeson, (2nd in the 50 meter freestyle), Pete Lambert (end in the 400 meter freestyle), and Andy Reul (3rd in the 200 meter freestyle). The 400 meter freestyle relay blew away the old state record by more than 2 seconds, being clocked in 3 minutes, 11 22 seconds. The team also topped the West Regents at the state meet for the 1st time in four years.

The swimmers would like it to be known that they plunged the scrappy wrestlers in the annual "kill" game by a score of 5-3.

"You Ain't Seen Nothin' Yet"

The Icemen had their successful 15-4-1 season come to an end with a shocking 9-5 loss against an underdog Monona Grove in the sectional playoffs. Ironically rival Memorial met the same fate at the hands of the Lancers. Madison failed to be represented in the 1981 State Tournament.

High points of the season were: A 3-1 victory over Memorial, the tromping of Fond Du Lac Springs avenging an earlier loss at Fond Du Lac, and a heart-stopping 4-3 double overtime post season victory against West on a goal by Bill Borchers.

Senior Tom Ryan led the Big 8 in scoring with 66 points. Juniors Matt Walsh and Dan Allen were 3rd and 4th respectively. Senior Craig Daubenspeck was the starting goalie.

The season also sadly marked the passing away of Junior Dave Olson's father at the Fond Du Lac game.

The administration would like to thank the students and staff for their contributions and considerations to East High School. It is my hope that we have learned to accept some of the crises we are facing in the world and in education and will work together to improve these situations. We should sit down and think about what an education means to each of us. All of these wonderful opportunities for education are here at Madison East High School — so please take advantage of them.

A.F.S.

"It's A
Small
World"

Today I'm sad and happy at the same time. I'm sad because this year is almost over, and I'm gonna have to leave you all. I'm sad because I know that I won't see you for a long time, and even if I do, I know that I'll never ever have this beautiful chance again of being an A.F.S. at 18 years old.

I'm happy, because I've gained and learned a lot. I've lived intensively. I feel stronger. This year was great for me, and I feel that I have something inside me that makes me special. I'll always remember you, and, and I'll tell everyone in France, and anywhere I go, that far from here, there's a place which is beautiful, with people I love from the bottom of my heart: Madison.

I don't know how to tell you how lucky I feel to have lived with you in Madison. Because I end this letter, I want to express my gratitude to two special persons. One is Mr. Mc Pike, one is Mr. Kral.

Mr. Mc Pike, you're a terrific principal, and in secret (not any more) I wish I could take you back with me, to show all those grouchy French principals how bad they are doing.

To Mr. Kral, this teaser pro, I tell him that's the way to go.

To all my teachers I send all my gratitude for helping me through this year.

Thanks, and have fun in life.

Pascale Clémendot.

My name is Suelene R. Lima and I come from Goiania, Brazil. I never could imagine how one year of my life, spent in another society with different customs could mean.

Meeting new people was wonderful, and I don't think I will be able to forget them ever. I wish I could take some of you home with me.

Starting a new experience like this is a little bit scary and I thought that I would never get to understand the language or find my way around the school. At the beginning of school I was really lost.

But soon everything that seemed strange at first began to fall in place and became a new reality. But this new reality is like a dream that will stay with me forever.

I learned and I saw many things and I feel sad when I think that I won't see the leaves turning in autumn, or the snow in winter again.

I would like to say to my friends and teachers that it doesn't matter where I live, you are people who will always be in my heart.

And so our gold album comes to a close. A special thanks must be given to Richard Chuala for his continuous support and encouragement.

The school's issues and topics were covered with the greatest quality and care within the time allotted. It was our hope that the album would be circulated in April, but due to lack of student participation this became impossible.

This yearbook is for the seniors, who must leave a piece of their lives behind.

Many of the years good memories are permently bound between these two covers for their enjoyment. Good Luck.

Sincerely,

The Editors
